

IMPORTANT INSTRUCTIONS – READ CAREFULLY: Unless you are an entity of the United States government, this Label License Agreement (“Agreement”) is the legal agreement between you (hereinafter “Licensee”) and Life Technologies Corporation (“LTC”) (individually, a “Party” or together, the “Parties”), for the use of products containing fluorescent proteins and/or genes (“Products”), which Products are provided to you by LTC’s sub-licensee American Type Culture Collection (“ATCC”). If your entity has previously executed a blanket ATCC MTA, this Label License Agreement is incorporated into and made a part of that MTA. For all others, this Label License Agreement is incorporated into and made a part of the MTA posted on the ATCC website on the date of the last signature below. Wherever the terms of the Label License Agreement and the MTA conflict, this Label License Agreement shall control.

1. Use of Products by Licensee. LTC grants to Licensee a non-exclusive, non-transferable right to use only the transferred amount of this Product solely for Licensee’s activities directed to the Research Field.

The Products are provided to you pursuant to a license from LTC to ATCC under patents owned or controlled by LTC. Title to nucleic acids encoding fluorescent proteins included in this Product shall not transfer to the Licensee. LTC retains all rights not expressly granted herein, and there are no implied licenses granted herein. If your entity is a for-profit entity, or a not-for-profit entity that is majority-owned by a for-profit entity, you warrant that you have already obtained a GFP license for the Research Field from LTC and/or GE Healthcare.

2. Excluded Uses. No permission is granted hereunder for Licensee to use the Products in any field(s) other than as designated under Article 1 of this Agreement. Specifically, no permission is granted hereunder for Licensee to use the Products for the purposes of: (i) providing services to third parties; (ii) transferring, selling, disclosing, or otherwise providing access to this Product, or any product, process, method, composition of matter and/or biological material derived therefrom, to any third party (iii) applications which require regulatory approval, including any *in vitro* diagnostic or therapeutic applications in humans or any *in vivo* use in humans for any purpose ; (iv) prophylactics; (v) agrochemistry, veterinary applications, and/or consumer product applications (such as flavors, fragrances, and taste enhancers), and/or (vi) use in or with plants (including plant cells). Licensee acknowledges that Licensee shall not have the right to authorize any third party to use or sell any Products or derivatives of the Products which contain fluorescent proteins/genes covered by patents owned or controlled by LTC.

3. Misuse of the Products and Indemnification terms. To the extent provided by law, Licensee will defend, indemnify and hold harmless LTC, LTC’s affiliates, the Tokyo Metropolitan Institute of Medical Science, their managers, directors, officers, employees, sponsors, and agents (collectively the “Indemnified Parties”) against any and all liability, loss, damage, claim or expense, including attorney’s fees, (collectively the “Indemnified Losses”) arising out of or in connection with this Agreement, including, without limitation Indemnified Losses resulting from any use by the Licensee, Licensee’s employees or students of the Products and any products derived therefrom. Licensee will indemnify and hold harmless the Indemnified Parties against any and all Indemnified Losses resulting from, arising out of or relating to: (i) product liability claims of any nature; (ii) claims arising from Licensee’s failure to comply with all governmental regulations relating in any way to use or storage of the Products; (iii) Licensee’s breach of this Agreement; and (iv) claims by a third party that Licensee, Licensee’s employees or students use of the Products infringes or violates any patent copyright, trademark or property rights of such

third party. This agreement shall be interpreted and enforced in accordance with the laws of the State of California in the United States.

4. DISCLAIMER OF WARRANTY. NEITHER LTC NOR ANY OF ITS AFFILIATES MAKES ANY WARRANTY, EXPRESS, OR IMPLIED WITH RESPECT TO THE PRODUCTS, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE OR THAT THE PRODUCTS DO NOT INFRINGE ANY PATENT.

Except as expressly set forth in this Agreement, Stanford MAKES NO REPRESENTATIONS AND EXTENDS NO WARRANTIES OF ANY KIND, EITHER EXPRESS OR IMPLIED. THERE ARE NO EXPRESS OR IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, OR THAT THE USE OF THE STANFORD LICENSED PRODUCTS WILL NOT INFRINGE ANY PATENT, COPYRIGHT, TRADEMARK, OR OTHER RIGHTS OR ANY OTHER EXPRESS OR IMPLIED WARRANTIES.

5. Term. This Agreement shall commence upon the receipt of the Products and, subject to Section 7, continue as long as the Products are in the possession of the Licensee.

6. Termination. Either Party may terminate this Agreement for any reason upon thirty (30) days' written notice to the other Party. The rights and obligations under Sections 3, 4, 6, and 7 shall survive any termination, expiration, or completion of this Agreement with respect to information generated and activities and events occurring prior thereto. Upon expiration or any termination of this Agreement, Licensee shall promptly destroy all remaining Products and, if permitted, all Products cloned, replicated or otherwise reproduced.

7. Entire Agreement and Assignability. This Agreement sets forth the complete and entire agreement of the Parties with respect to Products and supersedes and terminates all prior agreements and understandings between the Parties. No subsequent amendment or addition to this Agreement shall be binding upon the Parties unless reduced to writing and signed by the respective authorized officers of the Parties. This Agreement shall not be assigned or otherwise transferred by Licensee.
